

Zerol® Alkylbenzene Refrigeration Oil

Similar in many ways to natural mineral oils but has superior properties that make it particularly valuable in refrigeration, air conditioning applications.:

Zerol Refrigeration Oil is recommended for use with all CFC and HCFC refrigerants as well as with hydrocarbons and ammonia in all refrigeration and air conditioning applications

Part

4310-07	Gallon	Zerol 150 = 150 SUS
4308-07	Gallon	Zerol 200TD = 200 SUS
4311-07	Gallon	Zerol 300 = 300 SUS

OEM Approvals: Copeland (Zerol 200TD), Danfoss, Tecumseh, Carrier Carlyle Bristol and many others.

Refrigeration Oil

Nu-Calgon Wholesaler, Inc. refrigeration oils are designed to provide years of trouble-free service in refrigeration and air conditioning units.

There is no finer refrigeration oil in the market today.

Part

4303-07	C-3 (RO15) = 150 SUS
4304-07	C-4 (RO30) = 300 SUS
4305-07	C-5 (RO50) = 500 S

P.O.E. Lubricants

Polyol ester basestocks that have been specifically synthesized to provide excellent miscibility with all HFC's over a wide temperature range. The products have been tested with many other refrigerants and are miscible with CFC and HCFC refrigerants as well.

Part

4315-06	Gallon	SW 32 = 150 SUS
4316-06	Gallon	SW 68 = 300 SUS
4316-16	Gallon	SW 100 = 500 SUS

OEM Approvals: Carrier (Carlyle), Blissfield, York International and Tecumseh.

Cal-Vac™ Vacuum Pump Oil

Cal-Vac Vacuum Pump Oil is a quality, high-grade lubricant that performs at the deepest vacuum. It has a very low vapor pressure and it has excellent lubricity for complete surface protection

Part #:

4383-24 Quarts
4383-07 Gallons

A/C Re-New

A/C Re-New is an exciting, new branding of Zerol Ice for residential air conditioning systems.

Quiets noisy compressors.

Reduces energy consumption.

Improves heat transfer in the evaporator and condenser.

Great for new and old systems.

Zerol Ice has established an outstanding track record enhancing the performance of air conditioning and refrigeration systems. Now we have the same formula re-branded as A/C Re-New for residential air conditioning systems.

Part #:

4057-50 A/C Re-New Pressurized Can
4057-52 2+1 Start-up Kit 4 oz.
4057-55 A/C unpressurized
4057-99 Injector tool
